

## PROJECT PROCESS

### STEP 1:

We listen to your project ideas and objectives and find out what will make your project a lasting success.

Planning out exactly what you want to achieve is our highest priority.

### STEP 2:

Using our creative flair we turn your ideas and concepts into impressive and long-lasting designs.

We will produce a product that captures your vision and objective.

### STEP 3:

Orange Pulp helps keep your costs down by giving you the files and rights to your new designs. Use them however you please!

After all...it's all about the Pulp!
